

MENTAL HEALTH INTENSIVE GROUP

This is a positive, open-ended 3x per week support group for teens and adults struggling with intense levels of anxiety and depression. This group may be appropriate for recently hospitalized clients, clients on FMLA or disability and poor attendance in school. Clients may be struggling with severe social anxiety, panic, OCD, suicidal thinking, co-morbid substance abuse or psychosis. Clients are to keep their primary therapist for individual treatment. Clients can attend one to three times per week, depending on the level of care needed or other treatment involvement.

GROUP TIME AND LOCATION:

Affiliated Clinical Services, West Bend Location

Monday, Wednesday and Friday, 2:30 p.m. to 4:00 p.m.

Jim Giese, Ph.D., LP, jim@affiliatedclinical.com; 262-338-2717
